

Net-Zero Asset Owner Alliance 2024 Annual General Meeting

— — — — —
6–7 November 2024

**UN Palais des Nations
(Pregny Gate)**
Av. de la Paix 14a,
1202 Geneva
— — — — —

Since its inception, the Net-Zero Asset Owner Alliance (NZAOA) has established credible approaches and undertaken activities to influence the financial system at large, in supporting members' implementation of net-zero commitments. As NZAOA defines its ambition for 2030, it is important it reflects on the emerging priorities, and its current structure, so as to identify how member collaboration can be strengthened to deliver on net zero. This meeting provides an opportunity for reflection and planning of next steps among NZAOA members.
